

IEEE SENSORS 2012

Taipei International Convention Center - October 28-31, 2012 - Taipei, Taiwan

Sponsored by the IEEE Sensors Council, www.ieee-sensors.org

"You know, yesterday at a session I heard a couple interesting ideas that I will definitely try now in my lab. If I hadn't come here - I usually go to my society's Conference on Chemical Sensors - I wouldn't have learned those things. This conference is so good in this respect - it connects people from different communities with interests in sensing."

--From a coffee break conversation at the IEEE SENSORS 2011 Conference, Limerick, Ireland
